For providing comments to the Market Code, please use this link:

<https://forms.office.com/r/24Z3Rm4PGL> where detailed comments before, during or after this workshop can be submitted.

During the workshop itself, we will note of all comments, questions and concerns raised and provide minutes of the workshop. These will contain the main discussion points and might also be supported by additional information in form of presentations or documents as required.

The Market Code, the Market Specification document as well as all presentations and material from the launch event and all material used in the workshops including minutes is accessible on the following website:

<https://www.eskom.co.za/eskom-divisions/tx/energy-market-services/market-operator/south-african-wholesale-market-code/>

Timing: May 22nd 0830-1230
