Leadership appointment at Eskom Distribution

Tuesday, 15 July 2025: Eskom has announced that Ms Agnes Mlambo will become acting Group Executive Distribution, effective 1 August 2025. Ms Mlambo brings over 17 years' experience in Eskom to the role.

Mr Monde Bala, Group Executive Eskom Distribution, will be seconded to the role of Interim Chief Executive Officer (ICEO), National Transmission Company South Africa (NTCSA), effective from 1 August 2025, succeeding Mr Segomoco Scheppers.

"We are singularly focussed on ensuring we have the executive execution skills and capacity in place to lead employees to successfully enable Eskom to move at pace and play its full part in delivering a competitive marketplace to benefit consumers and the economy of South Africa as a whole. Ms Mlambo's appointment with her many years of experience in Eskom will significantly benefit the distribution business," said Dan Marokane, Eskom's Group Chief Executive.

Ms Mlambo holds a master's degree in business administration and a professional qualification as a Chartered Management Accountant and joined the group in 2008.
